

Option 1: Traditional Fundraiser

This option is our Traditional Fundraising Program and is open for ANYONE to participate! We have the most available flavors for you to choose from and you can rest assured your doughnuts are made FRESH right before delivery or pick-up. We'll help you load/unload and then you will distribute to all your happy customers! They're the most happy for supporting your cause, but we suspect those sugary circles of delight help to boost their spirits!
